

## Table of Contents

Parent Notes .....	1
Daily Schedule and Lesson Plan .....	2
Student Notes.....	10
Module 1: The Basics .....	11
Module 2: Air .....	22
Module 3: The Atmosphere .....	35
Module 4: The Wonder of Water .....	48
Module 5: The Hydrosphere .....	60
Module 6: The Earth and Lithosphere.....	72
Module 7: Factors That Affect Earth’s Weather.....	85
Module 8: Weather and Its Prediction .....	96
Module 9: An Introduction to the Physics of Motion .....	107
Module 10: Newton’s Laws .....	121
Module 11: The Forces in Creation—Part 1 .....	134
Module 12: The Forces in Creation—Part 2 .....	147
Module 13: The Forces in Creation—Part 3 .....	160
Module 14: Waves and Sound .....	173
Module 15: Light .....	188
Module 16: An Introduction to Astrophysics .....	201
Lab Notebook.....	215
Optional Module Summaries.....	321
Appendix A: Lab Report Checklist and Grading Rubric .....	411
Appendix B: Power Tools of Learning .....	414
